<p><b>CD - One Hand Typing &amp; Keyboarding Manuals</b></p>  <p>In the CD are several versions of the typing manual:</p> <ol style="list-style-type: none"> <li>1) 2 versions in which to practice on screen: PDF &amp; MS Word formats</li> <li>2) 70 page printable version;</li> </ol> <p>Also on the CD are:</p> <ol style="list-style-type: none"> <li>3) Motivational and how-to Book: <i>One Handed Office Professional</i></li> <li>4) Hundreds of hyperlinks to one-handed support groups and internet resources.</li> <li>5) 30 minute video clip of Jim Abbott, one handed baseball player, his life story and motivational speech on achieving your goals</li> </ol>	\$49	\$7	\$56	1CD
<p><b>One-Hand Typing and Keyboarding Manual</b></p> <p>With Personal Motivational Messages and Anecdotes From Others Who Have Overcome!</p> <p>With the use of either your right, or left hand, this manual will teach you to type on a standard keyboard with the normal keys everyone else uses!</p> <p>Lilly Walters, acclaimed author of 7 books: Speakers Bureau Executive, <b>AND ONE-HAND TYPIST!</b></p>  <p>When I was growing up, "one hand" didn't stand for type. When I opened my arms to the way, it never occurred to me I might want too. Why would I need two? Today, I use my one hand to do this wonderful skill of keyboarding. I am amazed at how easily they learned! Just as many jobs, and opportunities like yours, are used computers.</p> <p>My hope for you is that you do whatever it takes to practice, and learn the valuable skill of typing! (Having only one hand won't slow you down at all!) - Senator Rob Dole, former U.S. Senator from Kansas and Majority Leader of the Senate</p> <p><b>Printed comb bound One-Hand Typing manual</b> NOTE! This is already included on the CD as a PDF, but great for teachers. If other students in your class use a printed manual, rather than an on-screen program to practice typing, get this.</p>	\$29	\$7	\$36	CM

**We no longer sell  
the Mini Childsize  
Keyboards**

**You NEED one for those  
under 12 years old.**

**There is no way a one-handed child can make the HAND  
SPAN needed on an adult keyboard.**

**They will need a NORMAL – smaller - keyboard  
until their hand grows a bit.**

**GOOD NEWS! They are easy to find.  
I suggest Amazon.**

**WHAT YOU ARE LOOKING FOR:**

Distance from Q over to P: approx. 6 inches or less,  
3/4 of an inch *less than* a standard keyboard.
